Rules:

**Horse of the year rules:**
**To be eligible:**

- Owners of the horses must be financial members of the CCDA (only earning points for the competitions that they are member for).
- Each horse will be given points for placing in the top 10 provided the scores are 50% or over. (Scores under 50% will not count).
- HC performances do not count
- Points are scored as follows:-
  - 10 for 1st
  - 9 for 2nd
  - 8 for 3rd etc .... 1 for 10th
- If there is an equal placing, for example =4th, combine points for 4th (7) and for 5th (6), add them (13 points) and divide by 2 - each horse/rider = 6.5 points.
- There is to be a minimum of two competitors starting in any test for points to count or half points will be awarded if only one horse/rider eg 5 points for 1st place.
- To be eligible for the annual point score and Horse of the Year, the horse must score points at a minimum of two competition dates.
- Only points from 2 tests per trophy level to count per competition.
- To be eligible for the annual point score and Horse of the Year, 2 hours of volunteer time must be provided to CCDA during the year (per horse/rider combination).

This can be performed by the rider, owner or groom, friend etc and the committee notified which combination the volunteer time covers.

eg Fred Smith competes on Dobbin & GeeGee throughout the year - to be eligible for HOTY for both, Fred needs to volunteer 4 hours (2 x 2hrs) to cover both combinations

(or his groom can do 2 hours and his mother the other 2 hours) at any comp in the year. If he only volunteers 2 hours total, only one combination is eligible.

Email Claire (beancl@supernerd.com.au) if you have any queries about the pointscore or eligibility status
