Sire: Domingo (AWHA) Dam: Gwaihira Primadonna (Anglo - 75% TB)

Pretty enough to hack, competing Elementary dressage and Intro eventing, the choice is yours for discipline. Dom has reached this level on 1-2 rides/week and as such, a rider able to devote more time will reap the rewards. Suitable for dressage, eventing, hacking, adult riding club, fantastic Interschools/Youth mount or someone wanting a reliable horse when out or at home. He requires no working down and can be ridden straight up after weeks of paddock time. Dom is good to float, rug, shoe, teeth, clip ears etc.

Dom is for sale through no fault of his own (rider focussing on family and other sports). He is a special horse that will only go to the right home. Contact Claire (0404 003 193). \$15 000
